The **SCCA House** was inspired by the SCCA's commitment and dedication towards the health, wellness and care of our patients. The House provides all the amenities needed to build a thriving, healing community, with an infection controlled environment not found in an average hotel. The 80 unit House is within walking distance of the SCCA and is designed with patients in mind.

**Amenities include:**

- Free Shuttle Service
- Community Dining room
- Community chef-size Kitchen
- Daily Grocery Store Shuttle Service
- Free Laundry Room
- Community Living room
- Wellness Room
- Business Center & Resource Room
