## **Within King County (caregivers and family members)**

**If people have a local provider**, they should call their them for a test. Many providers require appointments to prevent overcrowding and to be sure that they have supplies.

**If people don't have a provider**, they can:

- Call one of the **free COVID-19 testing locations** on the following pages. Tests at these sites are free regardless of immigration or insurance status. They are open to anyone who cannot access a COVID-19 test through their regular healthcare provider. Most sites are non-profit Community Health Centers. Language interpretation services are available at all locations at no cost.

The sites were pulled from <https://www.kingcounty.gov/depts/health/covid-19/care/testing/locations.aspx>. Patients can also visit that webpage or call the King County COVID-19 call center, 206-477-3977 from 8 am – 7 pm, 7 days a week for help finding a location near them.

- Type “test COVID19 and [city]” into Google and it will pull up testing centers nearby.
- See next page for additional locations
