

SEATTLE CANCER CARE ALLIANCE – CARE AGREEMENT

I permit Seattle Cancer Care Alliance (SCCA), University of Washington Medicine (including University of Washington Physicians and Dentists), Seattle Children’s Hospital (Children’s), and Children’s University Medical Group (CUMG) (also known as “Providers”), to perform all needed and advised healthcare services, including exams, therapies, and medical procedures. I permit the Providers to communicate with me about my healthcare, healthcare payment and healthcare operations using telephone, SMS text messaging, mail, fax and email.

I understand that the SCCA health care team consists of medical doctors, doctors in training (residents and fellows), nurses, other health care professionals, and students of the health sciences. I understand that all Physicians providing services to me are independent contractors and are not employees or agents of SCCA. I am aware that results of my care and treatment cannot be guaranteed or promised. I also understand that the SCCA may take, use, and reproduce photographs and videos of me that are related to my healthcare. I permit SCCA to use such photographs and videos for treatment, payment and healthcare operations purposes, but only as permitted by state and federal health information privacy laws.

Financial Agreement & Consent for Disclosure

By signing below, I agree:

1. To the release of all financial information to the Providers and/or their agents. I agree that Providers may verify my financial information. I permit the Providers to contact those I have named to confirm my insurance coverage and my ability to pay any charges.
2. To assign to the Providers all insurance benefits (including Medicare) in order for them to collect payment for services provided, not to exceed the balance due for services provided.
3. To pay Providers all balances remaining after insurance benefits.
4. That the Providers may charge reasonable interest, late charges, collection costs and/or legal fees should my account become unpaid or overdue. Any lawsuit for collections may be brought in King County, Washington.

I understand that:

1. The processing of insurance claims is a service provided by the Providers and does not relieve me of my financial responsibility.
2. Health care services provided at SCCA result in two types of bills. One bill will be for facility fees. The other type of bill is from the doctor’s billing group, which includes the doctor’s professional fee. Information about the estimated charges for care is available upon request. Estimates are not exact; charges will depend on the actual services provided.

3. Financial responsibility will be waived if it's decided that I'm eligible for financial assistance based on SCCA's Financial Assistance Policy. To receive financial assistance, you must submit a SCCA Financial Assistance Application. SCCA's Financial Assistance Application and Financial Assistance Policy are available at SCCA patient registration areas and on SCCA's website.
4. Charges for donor work-up and collection of blood products (including bone marrow and stem cells) for infusion to anyone other than myself will be billed to that person and I will not be financially responsible.
5. The Providers may request Social Security Numbers to verify identity and access to federal health care benefits (42 U.S.C. 1320b-7(a), (b)). Providing my Social Security Number is voluntary.
6. The Providers may share my health information for payment purposes with any person or organization (including Medicare) that may be responsible for payment for services provided to me.
