Share your story

The DAISY (Diseases Attacking the Immune System) Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day.

In 1999, the family of J. Patrick Barnes established The DAISY Foundation to honor his nurses here at the Seattle Cancer Care Alliance. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. The DAISY Award was a way for his family to recognize and thank their nurses.

Now you can say thank you by sharing your story of how a nurse made a difference you will never forget!

How your nurse will be honored if chosen

Each DAISY Award honoree will be recognized at a public ceremony in her/his unit and will receive a beautiful certificate, a DAISY Award pin, a bag of daisy seeds to plant, and a hand-carved stone sculpture entitled *A Healer's Touch*.
