

# FREE Patient Webinar

For people with chronic lymphocytic leukemia (CLL), their caregivers, and their families

Know What Your Doctors Know:

## Chronic Lymphocytic Leukemia

Join experts as they discuss the best care of chronic lymphocytic leukemia (CLL). Attendees will learn about:

- Getting a correct diagnosis of CLL
- The role of prognostic factors in starting and selecting treatment
- Recent advancements in CLL treatment
- Being one's own advocate in treatment decisions and supportive care
- COVID-19 risks and the safety of vaccines
- Improving care through clinical trials

*Please note that this is not an accredited activity.*

### Agenda

- Introduction
- Expert Discussion of Chronic Lymphocytic Leukemia
- Question & Answer Session

### Presenters

- **Jennifer R. Brown, MD, PhD**  
*Professor of Medicine, Harvard Medical School; Director, CLL Center; Institute Physician, Dana-Farber Cancer Institute*
- **Brian Koffman, MDCM (retired), MS Ed**  
*Co-Founder, Executive VP, and Chief Medical Officer, CLL Society, Inc.*

Two chances to attend!

**Wednesday, April 21, 2021**  
10:00 AM – 11:15 AM EDT

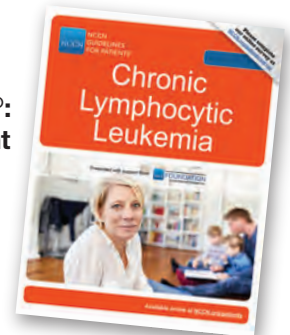

**Monday, April 26, 2021**  
4:00 PM – 5:15 PM EDT

This webinar is supported through the NCCN Foundation® and by a contribution from our corporate supporter: AstraZeneca. The webinar is further supported by an independent educational grant from AbbVie.

### Get a FREE book!

A free copy of the NCCN Guidelines for Patients®: Chronic Lymphocytic Leukemia, 2021 will be sent to the first 150 registrants to request a book.

The NCCN Guidelines for Patients are a good starting point to learn the best health care options for a type of cancer.
