

COVID-19 Point of Entry Primary Screening South Lake Union

1. Do you have anyone accompanying you today? We ask that only **one** caregiver or visitor join each patient to limit the number of people in the clinic. If you have additional visitors, we ask that they wait in the parking garage (WiFi is available).

2. Have you tested positive or been exposed to someone with COVID-19 in the last **14 days**?

(if the **non-patient** says “yes” they will need to leave the clinic)

(If the **patient** says “yes” please send to secondary screening for assessment with the **exception BMT patients**- send them up to the 6th floor)

3. **OR** do you have any of the following symptoms?

- Fever/Chills
- Cough
- Difficulty breathing
- Stuffy nose
- Sore throat
- Runny nose
- Shortness of breath
- Muscle aches/pains
- New onset diarrhea
- Loss of smell or taste

| No positive test, no symptoms | Known Positive test | Experiencing symptoms |
