Awards

Dr. Oliver Press

The 2017 ASH Mentor Award will be posthumously presented to Oliver W. Press, MD, PhD, for mentoring more than 70 individuals since 1980, including medical students, trainees, and postdoctoral fellows. This will be presented Sunday, December 10, 1:30-2 pm.

Dr. Stephanie Lee

Dr. Lee is the first Fred Hutch faculty member to serve on the ASH Executive Committee since Nobel laureate and pioneer of bone marrow transplantation Dr. E. Donnell Thomas served as president in 1988.

Dr. Sherrill Slichter

Congratulations to Dr. Sherrill Slichter, recipient of the 2017 Henry M. Stratton Medal for lifetime achievement in hematology. Her contributions to the field of transfusion medicine over 45 years have revolutionized platelet transfusion therapy.
