Classes
For Transplant Patients and Caregivers

Managing Care At Home
Tuesday, 1:00-2:30 pm
Floor 1, rooms 1006/1008
This class includes an overview of the Bone Marrow Transplant Process, review of the patient and caregiver roles, infection control instructions, clinical situations and how to handle them at home.

Caregiver 101
Tuesday, 3:30-4:30 pm
Floor 6, rooms 6055A/B
Come to the class to practice caregiver skills and learn more about the role.

Food Safety
Tuesdays, 11:30-12:30 pm
Floor 1, rooms 1006/1008
Safe food selection and food handling are important parts of infection prevention. Food safety for home and restaurants will be discussed. Open to all SCCA patients and family members.

Long Term Follow-up Departure
Wednesday, 1:30-3:00 pm
Floor 3, rooms 3100/3102
Learn about guidelines to take care of yourself over the course of the next year from a nurse in the Long-Term Follow-up department.
